Important: It's time to review your health coverage. Take action by December 15, 2020, or you'll be automatically re-enrolled in the same or similar coverage. This may change some of your costs and coverage, so review your options carefully.

Thank you for choosing Health First Commercial Plans, Inc. for your health care needs. We're here to help you prepare for Open Enrollment.

Why am I getting this letter?

Your health coverage is still being offered in 2021, but some details may have changed. Read this letter carefully and decide if you want to keep this plan or choose another one. Unless you take action by December 15, you'll be automatically enrolled in this plan for 2021.

Important: This isn't an Exchange plan. This means you won't get any financial help lowering your monthly premium or out-of-pocket costs (like deductibles, copayments, and coinsurance) if you enroll in this plan. To see if you qualify for these savings and to enroll in an Exchange plan, visit [HealthCare.gov](https://www.healthcare.gov) by December 15. If you don't enroll in a Exchange plan by December 15, you may not be able to switch to one for 2021, even if your finances change.

Changes you'll see to your plan in 2021

Your new premium

- Your 2020 monthly premium is \$451.44.
- **Starting in January, your estimated monthly payment will be \$507.41.**
Important: This is only an estimate based on current information we have. It doesn't reflect any changes to your enrollment, such as adding additional members to your coverage. You'll see your new monthly payment amount when you get your January bill.

Other changes

- You can review more details about your plan at myAHplan.com and in your 2021 Summary of Benefits and Coverage.
